## ANXIETY AROUND NEW PEOPLE

We might feel scared or worried to meet new people. Even if we feel scared, we should always say hi and introduce ourselves. Otherwise we could hurt people's feelings.

Read and answer each question below.

What can we say when we meet someone new?

---

---

What should we do with our hands when we meet someone?

---

---

What should we do with our bodies when we meet someone?

---

---
